Warranty Procedure Manual

This bulletin is to advise that a revised MMAL Warranty Procedures Manual is now available on the Dealer Portal.

The most convenient path to locate a link to the manual is;
Knowledge=>Service (Data)=>Warranty

You will also find a link to the Service Procedure Manual at this location which should be read in conjunction with the Warranty Procedure Manual.

Please take time to acquaint yourselves with the revised procedures.

Of particular interest in the Warranty Procedure Manual is appendix A-2: Error Messages and Meanings which can be found on pages 21 to 27. This section details the error messages which dealers will encounter when claims are in “Claims in Process (Dealer Correction)” status and what action to take.
