Over the Counter "Cash Sale" Claims

MMAL Warranty wishes to advise a change to the process for an over the counter "cash sale" warranty claim.

As from the date of this bulletin, cash sale warranty claims must not be claimed through the Warranty system. Any cash sale claims must now be claimed through MMAL's P&A system.

Instructions on how to claim for a warranty over the counter cash sale can be found on the dealer portal through the following steps and then accessing the document named ZCR2 Cost of Repair Claim.

Knowledge > Parts > Training Documents > PULSE Training Files > ZCR2 Cost of Repair Claim

Please follow the instructions in this document and if further assistance is required, dealers should contact MMAL's P&A department.

In order to complete the part claim through the P&A system dealers must have access to the SAP Parts system. If dealer staff do not have this access then they should get someone from their dealership who does to complete the claim or arrange access if deemed necessary.

NOTE:
A previous warranty bulletin, WIB-2012-05, advised a change in the process from Deacon to SAP for claiming cash sales and now this bulletin will supersede WIB-2012-05. Effective from the date of this bulletin, WIB-2012-05 has been cancelled
