MITSUBISHI MOTORS

WARRANTY INFORMATION BULLETIN

WIB 2013-24 05/11/2013

This Bulletin forms part of the Warranty Procedure Manual.

ATT: SERVICE MANAGERS/WARRANTY ADMINISTRATORS

Portal Claim Submission System.

MMAL Warranty is pleased to advise that the long awaited Claim Submission System through the Portal will be available for Dealer use from November 18.
This system takes advantage of live data in SAP that will enable such things as:

- VIN validation
- Vehicle based labour time insertion & validation
- Automatic part & labour pricing
- Odometer checking
- Quality Code and Part Number search facilities
- Claim validation and syntactical checking via a Simulation process.
- Immediate claim creation on successful submission ie after simulation

System Training
To assist Dealers with using this new system, MMAL will conduct training via a number of internet meetings using "WebEx". These sessions will be held twice daily from Monday November 11 to Thursday November 14, as per the schedule below:

NOTE: Times shown are Adelaide times.
Please convert to your local time

Time	Date
10.30am	Monday 11th November
1.30pm	Monday 11th November
11.00am	Tuesday 12th November
1.30pm	Tuesday 12th November
10.30am	Wednesday 13th November
1.30pm	Wednesday 13th November
10.30am	Thursday 14th November
1.30pm	Thursday 14th November

To facilitate as many Dealers as possible, each Region will host one or more sessions in the local Regional Office. As there is a limit on how many can attend each on-line meeting it is recommended that metropolitan Dealers attend these hosted sessions. Each Region will advise via separate bulletins which sessions will be hosted.
Dealers unable to attend the Regional office can connect to the training via the internet and a conference call.

Warranty Telephone: (08) 8275 2367
e-mail: warrantyadmin@mmal.com.au
mmal_warranty_admin@mmal.com.au
Address: 1284 South Road Clovelly Park SA 5042
PO Box 8 Melrose Park SA 5039

How to Book a Training Session
Metropolitan Dealers will be advised by their Region on how to book a seat at the hosted session. For Rural and Provincial Dealers, it will be necessary to pre book the internet session that you prefer to attend.

To book your session, please send an email:
To: warrantymanager@mmal.com.au
Subject: Claim Submission Training Booking
In the body of the email include your name and the name of any others who will attend at your Dealership, the date and time of at least three sessions (in preference order) and your email address.

The email address will be used to send your WebEx meeting invitation. The names of attendees will be loaded into the SAP Training System and recorded on your training record.

Bookings will be made on a first come, first in basis. Further sessions will be made available if demand requires.
In order to ensure that your PC meets the minimum standards required for WebEx you can log into a "Test" meeting by visiting the following website:
http://www.webex.com/test-meeting.html
During this process a "plugin" will be loaded to your PC that enables the meeting software to work. Please check with your local IT person to ensure that the plugin can be installed. To reduce delays at the beginning of the meeting, or to rectify any PC issues it is suggested that you conduct this test at least one day before the meeting.

Voice will be provided via a telephone conference call. The number will be provided with the meeting invitation. It is preferable (but not a requirement) for Dealers to use a phone with a "mute" function where possible.

Training Manual
A training manual is currently under final review and will be posted onto the portal shortly. A separate notification will be sent with the location when the manual is published.

Training Video
Sessions provided in the table above will be recorded. These sessions will then be edited to provide a training video that can be downloaded from the portal. It is currently planned to have this video available from the end of November. A separate notification will be sent with the location when the video is published.

The End of WIS & DMS Claim Submission
It is MMAL's plan to use this new system as the only means of claim submission. As a result WIS will be discontinued from the end of December 2013. WIS can continue to be used up to December 31. Dealers attempting to use WIS after this date will be presented with an error stating that the licence has expired. As a result claim preparation & submission will no longer be supported via DMS.
Dealers are advised to change to the new system as early as possible to avoid issues late in December.

To contact Warranty Payments Administration:
Warranty Telephone: (08) 8275 2367

mmal_warranty_admin@mmal.com.au
Address: 1284 South Road Clovelly Park SA 5042
PO Box 8 Melrose Park SA 5039

Additional Materials (Quick Reference Guides)
A number of quick reference guides are being developed that will assist Dealers in the building of claims.
These include but are not limited to:

- A revised ”Quality Information Codes” sheet
- A list of “Miscellaneous” items and the correct “Item Type” to use
- A list of SAP claim types.

These Quick Reference Guides will be loaded onto the portal before the system goes live. A separate notification will be sent with the location when the guides are published.

Pilot Test Group
Finally, I would like to thank the Dealers who have been part of our Pilot Test Group. These Dealers from all Regions across Australia both Metropolitan and Rural have been testing this system for up to 4 or more weeks. The feedback that we have received has allowed us to make changes to the system and rectify any major issues before handing over to the entire Dealer body. We are confident that based on this “Live” testing we have been able to avoid any major issues that might have occurred with a complete rollout to all Dealers.
