Recall FOC (Free of Charge) parts supplied for campaigns

This bulletin is to advise dealers about free of charge campaign parts supplied by MMAL.

Please be advised that parts supplied to dealers free of charge for campaigns should always be listed on the repair order. Regardless of whether the parts are purchased through the Spare Parts department or if they are supplied direct to the Service department free of charge, all parts must be listed on the repair order.

Failure to adhere to the above requirements may result in a claim not being paid or reversed at a later date. The claim must also meet audit requirements and could be reversed at audit if this procedure is not followed.
