Warranty Claim Resubmission System

This bulletin is to advise the dealer network of upgrades to the claim submission/resubmission system which is effective from Monday 8th June 2015.

The new features and changes were demonstrated in the recent Warranty Seminars conducted in each Region.

Essentially, all functionality and validation available during the claim creation has been added to the claim resubmission screens. Claims can be saved and simulated before resubmission.

The ability to update is only available where a claim is in 'Claim in Process (Dealer Correction)' status. Claims in "New" status cannot be updated at this time.

The system can be accessed in the same process previously used to review and or correct a claim. Once the required changes have been made, overtype the claim status with ZRPR (i*n capitals)* and submit the claim using the 'Submit' button. (The claim status dropdown box has been removed as the only valid statuses are ZRFC or ZRPR.). Any field that is not 'greyed' out is available to be updated.

Labour operations will now populate the Quantity field with the applicable times on simulation. Item lines may be added or deleted and will be validated accordingly.

Changes to the claim can now be printed, using the "Print" button. This will print the claim using the same format previously available after claim creation.

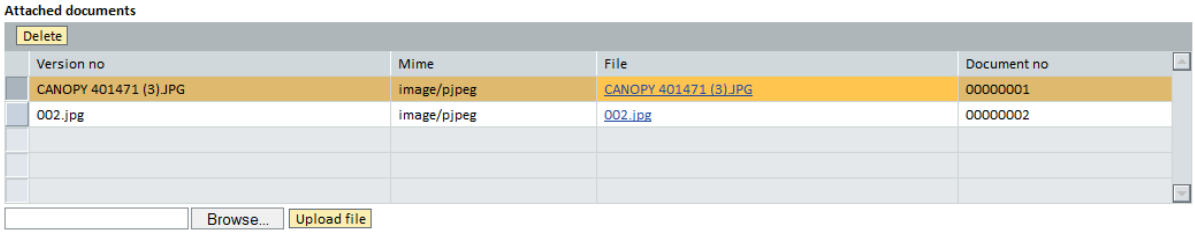

Direct access to the "Vehicle Summary Sheet" commonly called the Fact Sheet, is provided by pressing the "Object Info" button. This is also now available during claim creation.

Corrected claims can be saved and loaded from file in the same fashion as previously available during claim creation.

Documents can now be added or deleted on the "Notes and Attachments" tab of the claim form. This feature is only available on an existing claim and not during Claim Creation.

To add a document, first load the claim and access the "Notes and Attachments" tab, then in the Attached Documents section of the screen (as shown),

To contact Warranty Payments Administration:
Warranty Telephone: 1300130099 option 2
option 4
e-mail: warrantyadmin@mmal.com.au
mmal_warranty_admin@mmal.com.au
Address: 1284 South Road Clovelly Park SA 5042
PO Box 8 Melrose Park SA 5039

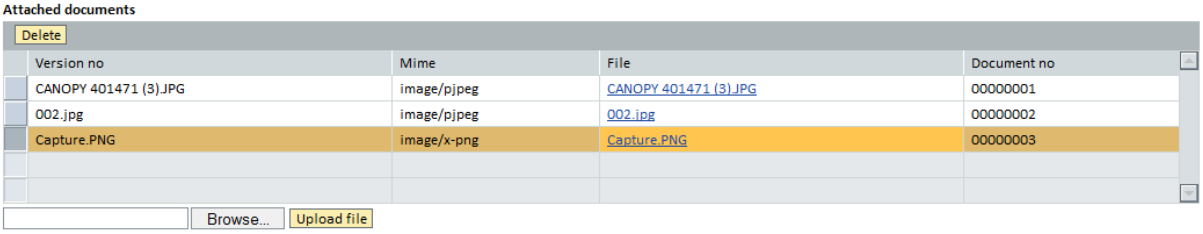

Select the Browse button

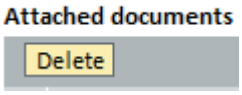

Browse to the appropriate file to be uploaded. This will be returned in the field below.

Press the "Upload file" button to add the chosen file

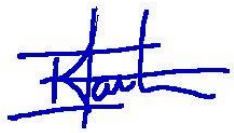

To delete a document, select the line with the document you wish to delete.
Press the "Delete" button

NOTE:
The ability to update the Claim Type, Service Date, Odometer Reading or VIN is not available at this time but is under investigation for potential future upgrade.

Please advise Warranty Admin of any issues or concerns that you experience with this system.
