# WARRANTY INFORMATION BULLETIN

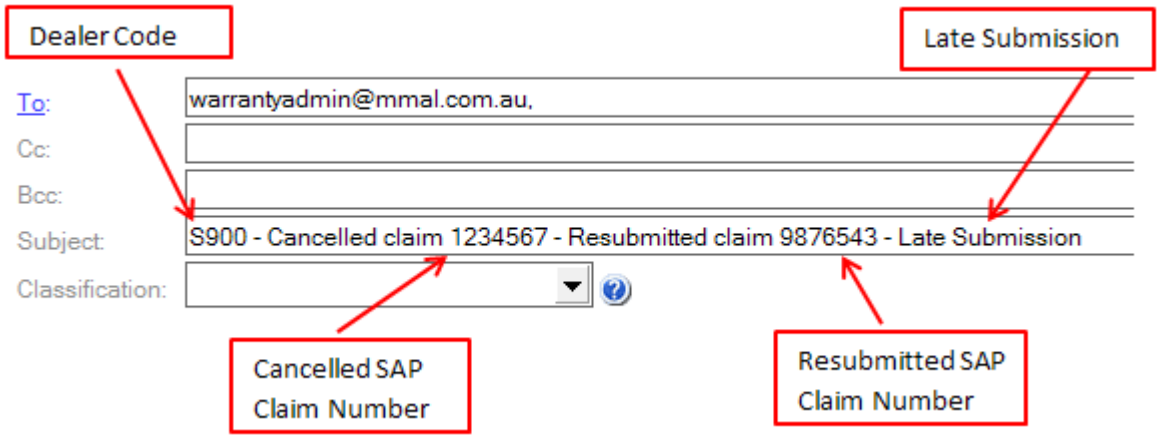
## Resubmission of Cancelled Claims

This bulletin is to advise Dealers of the process when a claim is cancelled and resubmitted and the resubmitted claim is disapproved due to late submission.

If a claim is cancelled for some reason and is resubmitted, the resubmitted claim may be disapproved due to late submission. In this instance, an SCA is not required for the late submission error. If the resubmitted claim is disapproved for late submission, please adhere to the following procedure:

1. No SCA is required
2. Email Warranty Admin (**warrantyadmin@mmal.com.au**) and in the Subject line of the email, put the Dealer code, the cancelled SAP claim number, the resubmitted SAP claim number and Late Submission.



If authorisation is required for any other reason, this must still be obtained.

If there are no other errors or issues with the resubmitted claim, MMAL Warranty Admin will manually adjudicate the claim.

This process only applies to claims that have been cancelled and resubmitted.

If the original claim that was cancelled had a requirement for a SCA that was not previously submitted, then a SCA will be required for the resubmitted claim.
