Portal Confirmation of Claim Submission

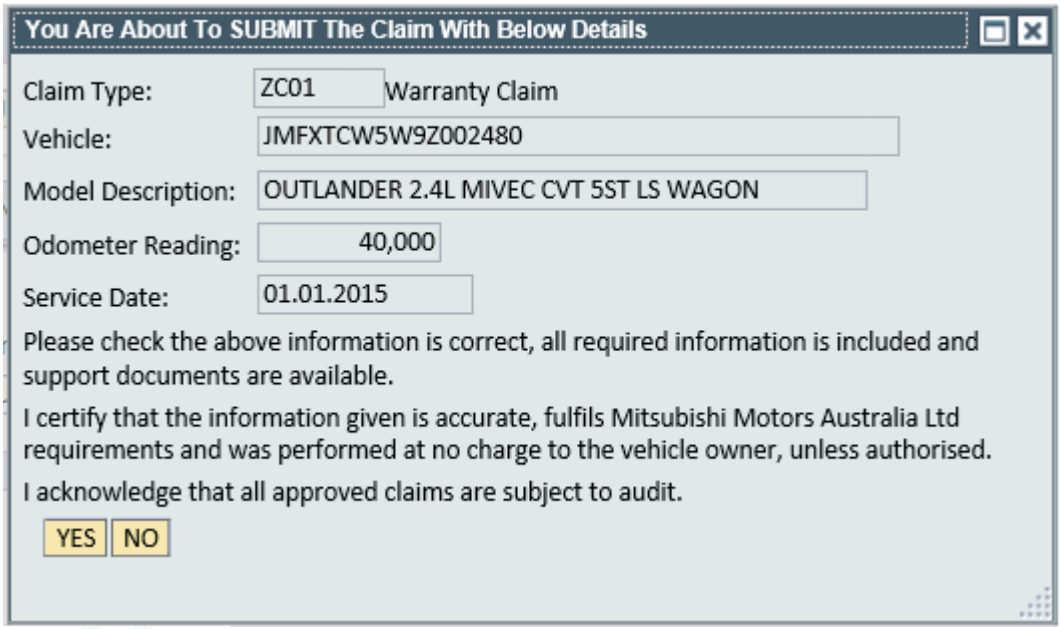

This bulletin is to advise dealers of a change made to the warranty claim submission system.

Effective from the date of this bulletin, the example screen shot below will appear as a pop up box each time the submit button is selected to submit a claim.

Selecting "Yes" will continue the claim submission.
Selecting "No" will return to the claim.

Before selecting "Yes", important claim information should be cross checked and verified against the repair order before submission.

The pop up screen will also give dealers a second chance in case an omission has been made to make corrections before submission.
