Operation Code Manual R2

MMAL are pleased to advise that the latest release of the Operation Code Manual (OCM R2) is now available via the SAP Portal.

How to access the manual

The manual can be accessed directly from a link under "Detailed Navigation" as shown in the screenshot below.

NOTE: Your screen may look slightly different from the one displayed depending on access.

Changes in OCM R2

1. The manual can now be accessed and operated directly from the portal (i.e. No installation is required). It will open in a new tab allowing navigation to and from other portal screens e.g. warranty claim as shown below.

2. New Models added:
   a. Triton MQ
   b. Outlander ZK (including PHEV)
3. "Light Commercial" vehicles moved to the top of the Model Selection drop down
4. Labour times displayed. (Please note the disclaimer on the title screen)
5. Various data changes

Labour Time DISCLAIMER

As advised at numerous Dealer meetings the labour times are provided for retail reference purposes only and may not reflect the actual times paid to Dealers for warranty repairs. As such a disclaimer can be sighted on the title page of the manual. Citing differences between the OCM and the warranty claim system will not be valid justification for a Labour Rate Review.
