### Warranty Claim Part Disposition Report

MMAL wish to advise that there is now a Claim Disposition Report located in the MMAL Portal via the path: Reports > Dealer Folder (eg, N700) > Service > Warranty.
The report will run at the beginning of each month and identify claims which should have been PAID by MMAL where parts have been kept by the dealer for the required amount of time.

The report will list which parts can now be disposed of by the dealer.

The system will display the 3 most recent reports, with older reports being archived.

Parts on the ensuing list are from claims which have been approved and paid by MMAL.

The report is available in a printable, PDF document form.
