WARRANTY INFORMATION BULLETIN

WIB 2018-01 10/05/2018

This Bulletin forms part of the Warranty Procedure Manual.

ATT: SERVICE MANAGERS/WARRANTY ADMINISTRATORS

Subject: Warranty Portal - Change of Owner details screen

As MMAL are aware of some issues associated with updating of Customer details via the Customer Overview function, some updates / enhancements have been introduced to the New Warranty Portal. This has resulted in some changes to the update screens.

To reduce the possibility of incorrect updates please follow the below advice.

Updating of Customer details

Perform a vehicle search and select the vehicle

The Vehicle detail screen will be displayed with available icons.
Selecting the Owner icon will display the Customer Overview screen below.

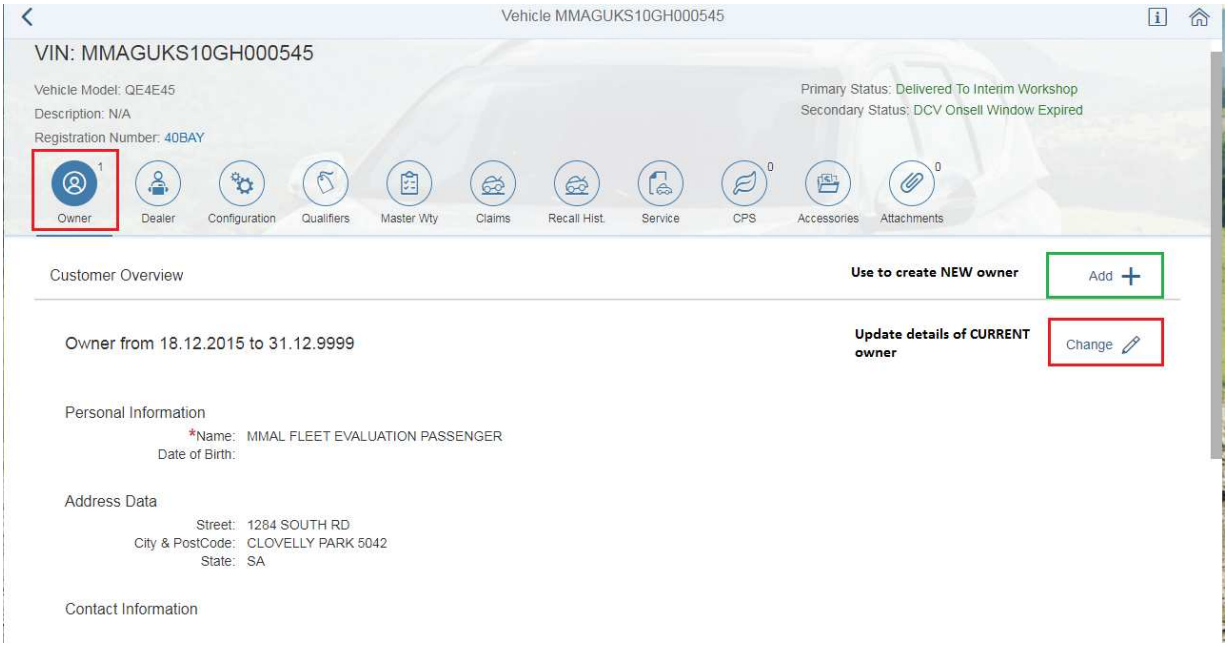

There are two (2) options available should customer details require changing.

1. **Add** – where the vehicle ownership has been transferred. Use this to create a **NEW** owner for this VIN.
2. **Change** – where the **CURRENT** owner displayed is correct but their details require updating.
   NOTE: Change option is **NOT** displayed where the current owner is recorded as a Fleet Organization.

MMAL however, reserves the right to make changes at any time without prior notice or obligation

To contact Warranty Administration e-mail: warrantyadmin@mmal.com.au

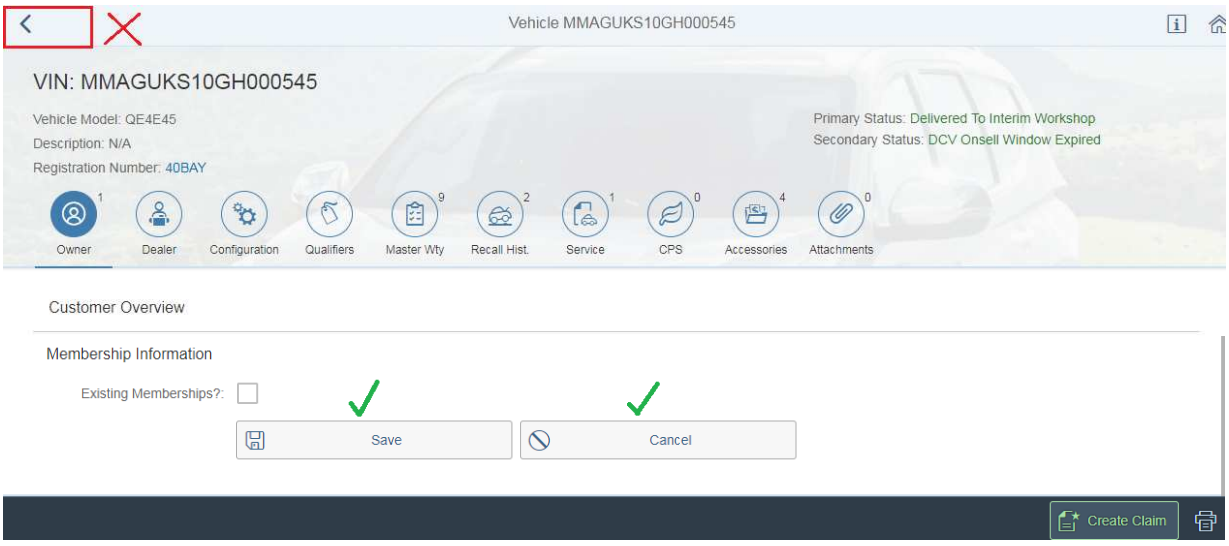

Click on the appropriate button and enter the required data.

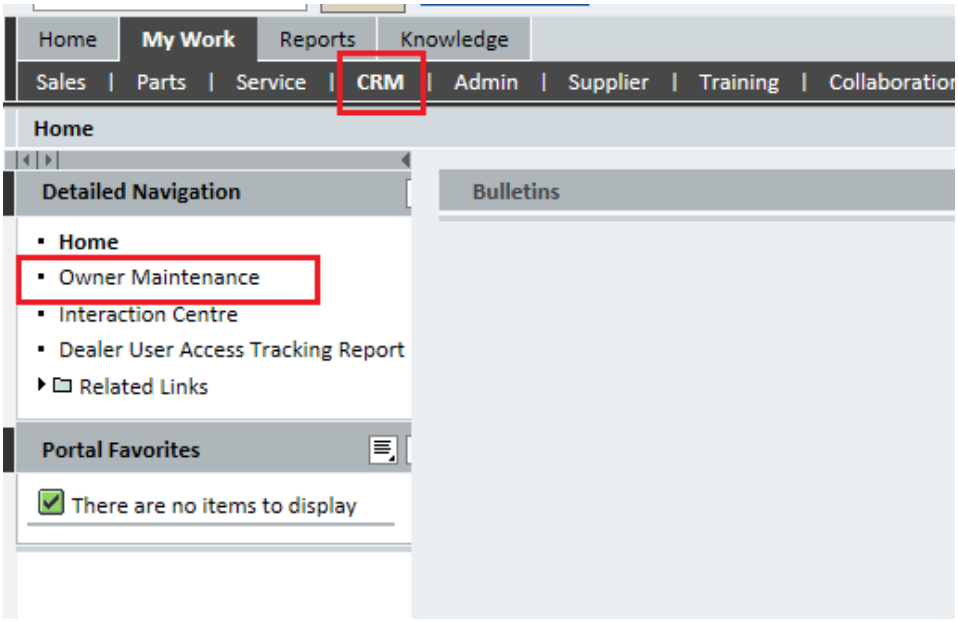

To exit the Add/Change screen

Use the **Save** or **Cancel** buttons at the bottom the screen to perform the required action.
Select **Save** to save changes. If Save is not selected, customer details will not be updated.
Select **Cancel** to leave screen without updating details.
You will automatically be returned to the Customer Overview screen after Save/Cancel selection.

DO NOT use the arrow at the top left of the screen as it does not exit correctly and this vehicles data may be displayed on subsequent vehicles. Changes will **NOT** be saved on this vehicle.

NOTE: Dealers should be able to maintain or update driver details for an Organization in the Owner Maintenance under the CRM tab in SAP Portal

Yours sincerely,
