Attention: Service Managers, Service & Warranty Personnel

Subject: Warranty submission change and temporary suspension of CPS upper time and mileage limits review.

Dear Ladies and Gentlemen,

State-by-State COVID restrictions have eased with the exception of Victoria. In light of this MMAL have decided to make amendments to the bulletin "*MMAL – 20089 - COVID-19 Update – Warranty submission change and temporary suspension of CPS upper time and mileage limits.*"

Warranty submission update

The extended time period for warranty claim submissions from 14 days to 28 days will end on October 10th 2020 for all states with the exception of Victoria.

MMAL will require Victorian Service Managers to ***opt in*** for further relief. Service Managers in Victoria requesting an exemption must send an e-mail to warrantyadmin@mmal.com.au by 30th September 2020. MMAL will extend the exemption to ONLY those Dealers who have opted in. The exemption will continue for those Dealers until further notice.

Temporary suspension of CPS time and mileage limits

The suspension of these limits ended on 31st August 2020 for all States. MMAL will grant an extension to Dealers in Victoria only until further notice but the following parameters apply:

- The vehicle service interval upper limit date must be greater than 21st March 2020
- If the vehicle repair date is greater than 6 months from the 'Next Service' time, the next CPS service interval must be performed
- If vehicles are on their last CPS service and are over the 'Next Service' time by no more than 2 months the CPS offer will be honoured
- If the vehicle odometer exceeds the CPS 'Next Service' distance by 7,500km the next CPS service interval must be performed
- If vehicles are on their last CPS service and are over the 'Next Service' distance by no more than 10,000km the CPS offer will be honoured

Vehicles that fall outside of the above parameters do not qualify.
