Subject: Recall Campaign 010170 & 010171 - Button Battery Warnings

Dear Valued Business Partners,

MMAL Warranty Administration want to bring to your attention the importance of complying with the recall documentation issued under communication **MMAL-22315 Recall Campaign - Button Battery Warnings.**

Please READ and ACTION the Recall Campaign document carefully

- **ENSURE ALL REQUIRED EVIDENCE IS OBTAINED AND ATTACHED** to the Recall claim submission as detailed in the Recall Campaign document under "**MANDATORY EVIDENCE REQUIREMENT"**.

  Dealers who neglect to obtain this evidence whilst the customer or vehicle is present will be tasked with getting the required evidence with the least inconvenience to the customer e.g. visit to customer.

- **PARTS COST MUST BE ENTERED** in Miscellaneous Parts "Claimed" value field to claim the Dealer cost of ALL parts used to complete the recall. Claims with zero miscellaneous parts value will be returned for correction.

Recall claims that are **NOT COMPLIANT** with the requirements detailed in the Recall Campaign document **WILL BE RETURNED FOR CORRECTION**

Yours sincerely,

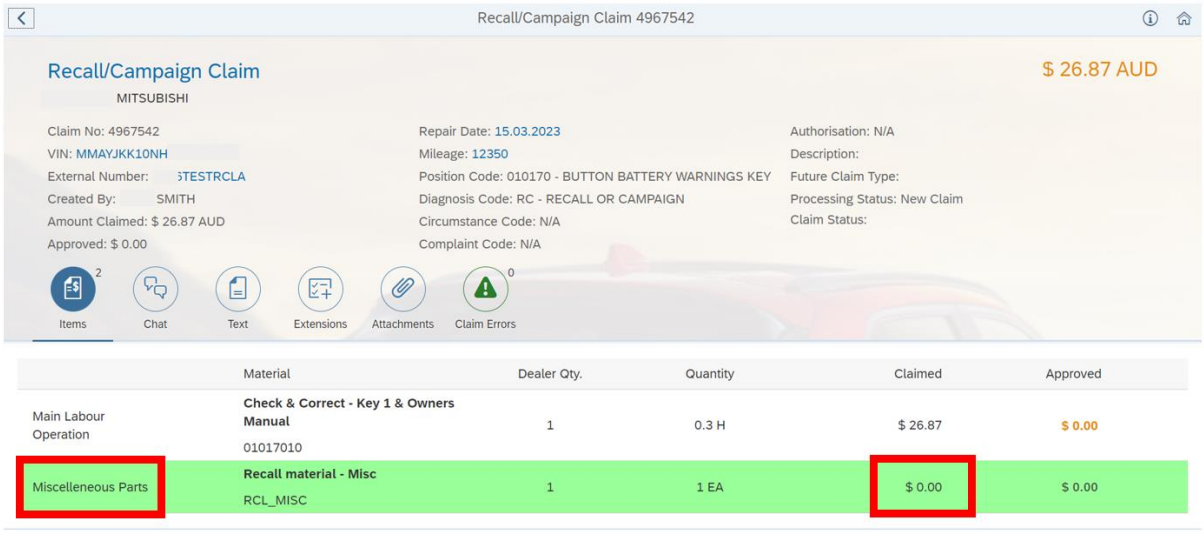

Fiona Lamond
Warranty Administration Manager
