Overview

MMAL advise that a new validation rule (VSR) will be applied during claim submission. Claims incurring repair costs for work undertaken by a third-party repairer i.e. Sublet repair, MUST be supported by the inclusion of relevant documentation, e.g. the third-party repairer invoice.
VSR **"ATTA – Mandatory Invoice Attachment is Missing"** will be displayed where the required documents are not attached to the claim.

Claim Requirements

- Claims MUST contain a copy of relevant support documentation. This should be a copy of the FINAL INVOICE from the third-party repairer.
- The attachment file name MUST include the word "sublet" to clearly identify the document e.g. *Sublet* invoice, Joes Auto *sublet*.
- Where claims do not meet the above two requirements, claim submission will be prevented and the VSR error message will be displayed.
- Once submitted, claims will be reviewed by MMAL to ensure the documentation provided meets the requirements defined in the WPPM and SPM and properly supports and substantiates the sublet repair costs claimed.
- Claims failing to meet the requirements will be returned to the dealer.

Reference Information

Refer to the relevant sections in the WPPM and SPM to ensure adherence with MMAL policy and procedure when electing to engage a third-party repairer and requesting reimbursement from MMAL.

Note 1: The Dealer is responsible to ensure the invoice contains detailed information regarding the repair, including -
• Repair Order Number • VIN • Repair Date • Odometer Reading • Detailed description of the repair • Breakdown of parts, labour and miscellaneous costs • Total Sublet Amount.

Note 2: Sublet labour amount is claimed excluding the GST

Quick Tip

Ctrl+F will allow you to search the WPPM and SPM using keywords e.g. "sublet"
